Mr. Luallen reiterated what the Chairman of the Budget Committee said complimenting each of the Departments for all their cooperation and special thanks to the employees of his office who do the majority of the work.

C. Comments by Evonne Hoback, McMinn County Clerk.

Ms. Hoback said that at the 11th hour, the State has attached some legislation to the back of a corrections bill which will take revenue from the County. The Department of Revenue wants business tax customers to pay directly to the State. I pay annually and this will change what I project in revenue because I won't have that interest, if they implement it. The Clerks are organizing now to be preemptive to make sure that we keep the 5% that they promised to give back to us. Evonne told the Commissioners to call her if they had any questions and added that she would like to see the Mayor's Association and the Commissioner's Association communicating to work with the Clerk's Association who is working hard.

In response to a question from Commissioner Mason regarding the Justice Center expansion bids, Mr. Gentry said he would be contacting Cope and Associates to obtain more detail regarding the bids.

A. 2009-2010 Budget.

Mr. Gentry echoed Commissioner Jack Powers' complimentary comments regarding the budget and added that he hoped next year will bring some prosperity that we haven't had.
